SOME FABULOUS PRODUCTS WE'RE LOVING THIS SEASON. WORDS BY JESSICA RULE

1 M.A.C Microfine Refinisher, \$37. Get un-rough and ready with this cream-based exfoliant, formulated with the microfine crystals used in microdermabrasion to get a super-smooth finish for your face.

2 Abode Aroma Reed Diffuser in Cherry Blossom, \$59.95. Part of the Kimono Range, this fragrance diffuser brings a sweet, sophisticated ambience and luxury that's inspired by the Orient.

Making eyes

3 Revlon Double Twist Mascara, \$25.95. This new volume-boost for lashes from Revlon is geared for plumping and definition. The two-in-one brush is designed to thicken and separate while it combs out the lashes for a groomed look. We love to bat our eyelids at this mascara!

4 Clarins Eye Contour Gel, \$62. Our Editor-in-Chief thinks it's the perfect solution for the remnant puffiness and dark circles of the festive season. This lightweight daily treatment soothes eyes, concentrated rose water softens, palmetto decongests and wild rose helps drain to discourage puffiness and dark circles.

5 Judith White Organics Phyto-Mineral Rose Facial Mist, \$125. This is the perfect treat in the way it tones and rehydrates your skin, and it smells absolutely divine.

Basic instinct

6 PROOF Cosmetics Full Coverage Foundation SPF 8, \$58. Our Editorial Director loves the convenience of this purse-friendly foundation stick. It offers long-wearing true colour, and can be applied to even out the complexion, or applied in full for natural-looking coverage.

7 ELES Mineral Sheer Tint SPF 20, \$62.95. This all-in-one foundation, sunscreen and antioxidant treatment with light-diffusing pigments helps fade away fine lines and impart radiance.

8 Sisley Instant Perfect, \$80. A new answer to the quest for skin perfection, this siliconated gel smoothes, mattifies and corrects complexion imperfections in one sweep.

9 OmVeda Strawberry Cream, \$46.10. Rich in almond oil, strawberry extract and lotus, this cream helps rejuvenate and nourish dry to normal skin. Our Art Director's skin smells good enough to eat after using this!
