

OmVeda Adds to its Classic Massage oils

OmVeda extends its line of prescriptive herbal massage oils with the launch of four (4) new ayurvedic oils renowned for their ability to help relieve stressed muscles, sports-induced stiffness, joint aches and dry and irritated skin.

These include:

MAHANARAYANA TAILAM, a traditional Ayurvedic herbal oil made from over 50 Ayurvedic herbs targeting joint pain, arthritis, backache, headache, rheumatic pain, sciatica, sports pain and lung congestion. Relieving stiffness and improving mobility, organic sesame oil – a nourishing and strengthening oil rich in antioxidants and essential minerals meld with ginger, pepper, cardamom and rock salt.

ELADI TAILUM targets skin conditions such as pigmentation, irritation and stretch marks. Bringing a glow to the skin, it is steeped with Ayurvedic herbs including valerian, pearl oyster (rich in calcium), sandalwood, Saussurea, an anti-inflammatory, angelica and in a base of black sesame and coconut oils.

Anti-inflammatory and anti-rheumatic, the **SAHACHARADI TAILUM** helps ease lower back and joint pain. Its ingredient list features sahararada (Barleria prionitis), aegle marmelos, ginger, red sandalwood, manjishta, cardamomum infused in a base of organic black sesame oil.

Promoting muscle strength and tone, the **BALASVAGANDHADHI TAILUM** contains specific rejuvenating properties and is helpful in treating nervous conditions, muscular weakness and debilitation. It contains Teaweed, Ashwagandha, Indian madder, Indian dill, Nutgrass, Licorice, Vetiver, Himalayan cedar, Turmeric, Blue water lily, Sacred pepper, Indian lotus flower, Frangipani and Indian sarsaparilla.

MYO-CYTE PLUS Anti-Wrinkle Serum by Dr Pugliese

Packed with proven ingredients to give the skin a visible lift, **Myo-Cyte Plus Anti-Wrinkle Serum** is a scientific breakthrough for effective anti-ageing protocols. Containing Mytrixyl™, Matrixyl 3000™, Snap-8™ and Inyline™, it will tighten and firm the appearance of ageing skin. It also contains Hyaluronic acid, anti-oxidants, amino acids and Passion Flower Extract for its added anti-inflammatory benefits to restore skin vibrancy. Myo-Cyte Plus Anti-Wrinkle Serum is formulated by Circadia by Dr Pugliese. For further information phone 1800 247 223 or Angela Cannizzaro on 0409 238 119.

The smarter nail-enhancement alternative ULTIMATE FRENCH WRAP PLUS

The ultimate in manicure sophistication has arrived with the release of **French Wrap Plus** by Dashing Diva Professional. A curved smile line, very thin plastic, wide or narrow band to suit long or short nail beds. French wraps are fixed in place with thin viscosity, brush-on adhesive. A white (or coloured) free edge without the use of gels, acrylics or nail polish. Completely wear-proof, no smudges, no touch-ups.

French Wrap Plus opens the door on a lucrative market niche, catering for women who need to look sharp, smart and modern, but who also appreciate speedy and efficient manicure services rather than lengthy acrylic or gel nail enhancement applications. French Wrap products can be purchased online at www.dashingdivapro.com.au. Training manuals can be downloaded and tutorial video viewing available. The best way to trial French Wrap Plus is to purchase a **French Wrap Plus** manicure starter kit **DSK007**, fully self-contained and ready for action. You can also request these items by email to salons@salongroup.com or by phone: 1800 655 814 (trade only).
